EDUCATION

VIT Bhopal University

Bachelor of Technology in Computer Science and Engineering **CGPA: 8.19/10**

Bhopal, Madhya Pradesh

June 2021 – May 2025

EXPERIENCE

Programmer Analyst Trainee

Cognizant Technology Solutions Corporation

April 2025 – July 2025

Chennai, Tamil Nadu

- Implemented end-to-end automation for a real-world e-commerce application, achieving the execution of **4 test scenarios**, which resulted in a Green rating during Cognizant's interim evaluation.
- Accomplished full automation of a **real-world e-commerce app** with 100% script execution across 3 modules by leading a team of 6 to build a Selenium-based data-driven framework using TestNG and Apache POI.
- Excelled in **Core Java and JDBC** by scoring 100% in internal assessments, demonstrating strong proficiency in object-oriented programming and database connectivity.

PROJECTS

The Utopia Resort Restaurant | MongoDB, Express.js, React, Node.js

June 2024 – September 2024

- Developed and deployed a **full-stack food delivery web application** for The Utopia Resort, ensuring seamless functionality and stable performance across all features using the **MERN stack**.
- Designed an **intuitive admin dashboard** and a user-centric frontend to streamline order management and enhance customer experience.
- Boosted mobile engagement by 25% through a fully responsive UI that adapts seamlessly across devices and screen sizes.

Medicare | React, Tailwind CSS

January 2024 – May 2024

- Optimized Medicare's accessibility, improving user engagement and satisfaction by consolidating **government healthcare schemes** into one platform.
- Embedded a YouTube video preview, enriching the **user experience** and improving scheme discoverability.
- Ensured timely delivery and effective integration of key features with a 20% increase in **project efficiency** and 10% reduction in development time.

CO-CURRICULAR AND ACHIEVEMENTS

Content Writing: Accomplished **200+ monthly views** on Medium by crafting insightful articles and blogs on Web Development, Cloud Computing, and DevOps.

EXTRA CURRICULAR AND HOBBIES

Boosted TEDx VIT Bhopal Engagement: Increased TEDx VIT Bhopal visibility by 30 individuals and boosted attendee engagement by 70 individuals, achieving a total of 200 registrations.

Musical Contributions:: Achieved significant musical contributions by playing **flute** at five college events and organizing Music Club activities at VIT Bhopal, leading rehearsals, and collaborating with fellow musicians.

CERTIFICATIONS

AWS Certified Cloud Practitioner

Google IT Support Professional Certificate

TECHNICAL SKILLS

Programming Languages – Java, JavaScript

Databases – MySQL, MongoDB

Frameworks and Libraries – React, Express.js, Node.js, Tailwind CSS

Testing and Automation Tools – Selenium, TestNG, Apache POI, Data Driven Testing, Hybrid Driven Testing, Page Object Model

Development Tools and Platforms – Git, GitHub, Postman

Relevant Coursework – Object Oriented Programming, Computer Networks, Database Management Systems
